

Biography:

Chairman of the Group
Mr. Dustin Paul Wilden

Dustin Paul Wilden has a long international background from the aviation industry, both in top management and from the operational side of the industry. Having gained extensive international experience, working across several continents, has earned him the position as one of the most respected figures in his field. He's a known public figure and speaker, and serves on several boards and advisory committees around the world, covering important strategic positions in Aviation, Defence, Space and Security.

He holds a strong influential position as Group Executive Chairman of the ALAS Group corporation, in charge of the group's worldwide activities, serving as top advisors on bilateral and multilateral affairs in developing countries, including areas like Foreign Direct Investments, Global Economics and Finance, Renewable Energy and Aerospace.

He has obtained several awards and recognitions throughout his career for his work in Aviation, Space and the Defence Industry, and is considered to be among the leading international figures in his field.

Besides that, he's an active pilot spending lots of his free time in the air, enjoying what he does best.
